In last year's tournament, Eugenia McDonald left the 5-7-10 split; this year, it was Jennifer Baker. An embarrassed Baker (left) was unable to grab the cell phone from Berni Miller, who passes it to Quintina Jefferson, who at right becomes the official photographer to document the moment. Joining Baker and Miller in the "celebration" are Karla Pereira (left) and Tiffanie Bell, who respectively arrived on the scene from one and two pair of lanes away.

Once again this year, members of the Swing Sistas — (back row from left) Dominique Coates, Quintina Jefferson, Tiffanie Bell, Amanda Wise, Stephanie Dyson, Kristina Milam, Karla Pereira, and (front) Alfreda Jefferson — made their presence known: Bell won the Scratch All-Events and teamed with Wise to capture the Scratch Doubles; Pereira won the Scratch Singles; and Alfreda Jefferson's 280 was the high game of the tournament.
